

The Fostoria Area Chamber of Commerce is partnering with TrainingforChambers and INDABA to offer to your business leadership and staff development training at a discounted price!

To preview, sample or register for the courses go to www.trainingforchambers.com

INDABA's Leadership Development eTraining™ Programs are designed to teach leaders and managers techniques and business practices that result in immediate implementation and execution of the material they learn during their sessions.

OUR ONLINE COURSES OFFER FLEXIBLE LEARNING FORMATS SUCH AS:

- » Streaming Video-for visual learners
- » Streaming Audio-for auditory learners
- » Downloadable Audio-to your computer or MP3 player
- » White Paper Scripts-for book learners

The variety of learning options enhances the overall results for our clients. Whether at their desk, at home during quiet time, while exercising, or when they are traveling, our customers appreciate the freedom. We call this learning flexibility: *My Way, My Place, My Pace™*.

No longer do you need to rent meeting rooms, pay for travel, or have your key employees in training sessions when you can least afford it. Whether your employee is 1,200 miles away or 12 steps down the hallway, they will have the same high quality training available to them.
